Stay SAFE with PayPal

As the global leader in online payments, PayPal offers our customers a Secure, Accessible, Fast, Easy (SAFE), and reliable environment for making online payments.

Secure

PayPal developed the world's most advanced proprietary fraud-prevention system to ensure the security of any personal or transactional information in our payment network. We will never share your personal account information with anyone.

Accessible

Available in 190 countries and regions around the world, millions of buyers and sellers, online retailers and businesses, and traditional offline businesses are using PayPal for online payments.

Fast

When you pay with PayPal, your payment goes through instantly.

Easy

PayPal provides you with an easy-to-use environment for all your online transactions. Anyone with an email address can sign up for a Personal, Premier, or Business account.
